Dr. Rajinder Singh	Ashutosh Angiras	Prof. Meenakshi	Mr Saurabh
Principal & Patron	Hony Director	Teacher Editor	Student Editor

2 New Invitations:-

Under the VedaVyaasa Restructuring Sanskrit Scheme, dept of Sanskrit & SDHDRT Centre of S D College, Ambala invite you to –

1. Thursday , Friday (9,10 January, 2020) (01.00 -2.00 p.m.) सूत्र-पाठ 3 (ब्रह्म-सूत्र)
2. 2hrs Discussion session (11th January, 2020, Saturday) (01.00 p.m.) –

Topic - "Sanskrit & Western Applied Models of Qualified Citizen in 21st Century" "२१वीं शताब्दी में संस्कृत एवम् पाश्चात्य विशेषित/ समर्थ /सगुण राष्ट्रिक के प्रयोगधर्मी प्रारूप"

Why this discussion – Dept of Skt feels that in the name of citizen's rights what different lobbies / parties are doing is a matter of serious concern. What one is proposing in parliament, the other is opposing and in the name of civil society all politically active players have made constitution a football. So dept of Skt wishes to understand and explore this issue. Are we qualified enough to be a citizen of India? (it is not about 5 constitutional conditions of citizenship.) Are we aware enough about the sense of being a citizen? The word राष्ट्रिक has been used as per the Sanskrit tradition and not नागरिक. Sanskrit model of qualified citizen is based on the concept of अधिकारी whereas western model is based on constitutional rights and govermental facailities.

आपके ज्ञान, अनुभव एवम् दृष्टि की संस्कृत विभाग को सादर अपेक्षा है। आप अपना संक्षिप्त विचार/ मन्तव्य whatsapp पर भी प्रेषित कर सकते हैं।

Report Regarding "Sutra-Paath Recitation Workshop"

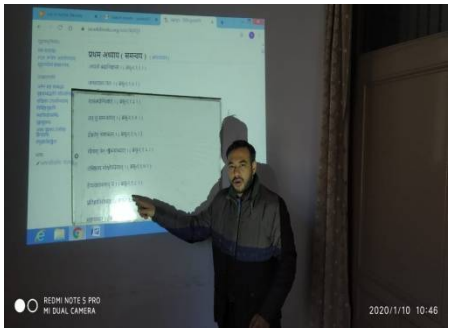

SutraPath Recitation was conducted by Dr. Gaurav Sharma of Ambala City for two days (09,10- 01- 2020) in dept of Skt. He explained the context and the content of the Vedant Philosophy in brief and then introduced the text to the participant students. Dr. Gaurav taught students the sutras of first adhyaya of Brahma-Sutra and corrected the pronunciation of the students. It was good experience for the students as they learned about the basic text of Vedanta Philosophy.

Student Convener Aayush of this SutraPath Workshop thanked Dr. Gaurav for conducting this recitation workshop and took pride in learning Brahma- Sutras.

He announced that the next class will be held on 16,17 -01 -2020 in department of Sanskrit, S. D. College, Ambala Cantt.

Student Convener – Aayush yadav,

****

Gist of the workshop (18th January, 2020)

Under the VedaVyaas Restructuring Sanskrit Scheme, dept of Music, Sanskrit & SDHDR&T Centre of S D College, Ambala Cantt organized Haryana Sanskrit Academy, Panchkula sponsored one day workshop on the topic- "रस एवम् ध्वनि सिद्धान्तों की चलचित्रीय संगीत पर प्रयोगधर्मिता (संस्कृत साहित्य-शास्त्र के सन्दर्भ में) Application of Rasa & Dhvani Theories on Film Music (with ref to Sanskrit Saahitya-Shaastra) in which teachers and research scholars of various colleges and universities of Punjab, Chandigarh, Haryana and Delhi participated and learnt about the application of Rasa and Dhvani on Films music. There were two main reasons to organize this workshop – 1.How to sensitize an artist / performer/ singer/ composer/ song writer to evaluate his/ her creation on the basis of Rasa and Dhvani elements and not to become conditioned, 2.How to sensitize the audience to refine their tastes and upgrade their level of appreciation for a creative expression. It is rightly said in Skt Lit that one can find qualified artists in society but it is very difficult to find a Gunagya (evaluator -appreciator of art) in real sense. Clapping or saying Wah Wah is the lowest level of appreciation as per Indian art tradition. One must learn the art of Listening, seeing and understanding an artistic expression from the Rasa and Dhvani perspective. *Prof. Pankaj Mala Sharma, Dept of Music, PU, Chd, Prof. Ramakant Aniras, Dept of Skt PU, Chd, Pt. Devender Verma, well known musician, Faridabad and Dr. Nagendra Sharma, Regional Director of Haryana Kala Parishad, as resource persons explained the history, idea, concept, theories of Rasa and Dhvani elements to participants and how Rasa and Dhavni influences our mind, behavior of a singer, song writer and music composer. So many songs were quoted and were analyzed on the

basis of suggestive meanings, Sthayi-Bhaavas etc. Participants were quite thrilled to learn this applied aspect of Skt literary criticism. It was also suggested that these two concepts should be part of music syllabus. It was also proposed that a workshop on application of Rasa and Dhavani elements on Music and Theatre as part two.

Dr Someshwar Dutt, director, HSA, PKl in his presidential remarks said that Sanskrit concepts, theories need to be applied in all aspects of education. He encouraged organizers and participants to make more and more interdisciplinary experiments to make Shaastriya concepts, theories useful, relevant and applied. Dr. Someshwar Dutt and Dr. Nagendra Sharma offered full support to any such experiment which is based on Sanskrit Shaastra and Indian knowledge tradition. Convener of the workshop Dr Madhu Sharma, head, dept of Music proposed the vote of thanx. She duly acknowledged the help and cooperation of Dr. Vijay Sharma, Dr. Ravi Sharma. Prof Meenakshi, Prof Saryu, Dr. Parmajeet Kaur, Dr. Saryu, Sh Hem, Sh Praveen Ji and others.

You can watch the proceedings on YouTube link which is given below and can make comments or suggestions if you are interested.

प्रेस नोट: नागरिक संशोधन अधिनियम (सी ए ए) राष्ट्रीय जनसंख्या रजिस्टर (एनपीआर) तथा नागरिकता का राष्ट्रीय रजिस्टर (एनआरसी) पर सेमिनार प्रोफेसर वीरसेन विनय मल्होत्रा ट्रस्ट ने एस डी एच डी आर एंड टी(SDHDR & T) के साथ मिलकर आज सनातन धर्म कॉलेज के सेमिनार हॉल में एक बहुत ही सामयिक विषय "नागरिकता संशोधन अधिनियम, राष्ट्रीय जनसंख्या रजिस्टर तथा नागरिकता का राष्ट्रीय रजिस्टर" पर एक संगोष्ठी का आयोजन किया जिसमें समाज के विभिन्न वर्गों, संस्थाओं और व्यवसायों के लोगों ने अपने विचार रखे। मुख्य अतिथि तथा अध्यक्षता की भूमिका प्रोफेसर जागे राम, अध्यक्ष राजनीति शास्त्र विभाग राजकीय महाविद्यालय ने निभाई। विशेष अतिथि के रूप में डॉक्टर देशबंधु भूतपूर्व प्राचार्य एसडी कालेज ने भी सेमिनार को सुशोभित किया।

मंच संचालन तथा सेमिनार के विचार विमर्श को आगे बढ़ाने का कार्य डॉ आशुतोष अंगिरास तथा डॉ अनिल जैन ने किया। श्रोताओं से सेमिनार हॉल खचाखच भरा हुआ था जो विषय और उस पर हुए सेमिनार की सार्थकता का प्रमाण था। सर्वप्रथम ट्रस्ट की तरफ से सभी अतिथियों का स्वागत ट्रस्ट की कोषाध्यक्ष डॉक्टर श्रीमती नीना मल्होत्रा ने किया। उसके पश्चात डॉ. विनय कुमार मल्होत्रा, ट्रस्ट अध्यक्ष ने इस सेमिनार को करने के उद्देश्य तथा इसकी सार्थकता पर प्रकाश डाला। मुख्य वक्ता डॉ अनिल जैन ने नागरिक संशोधन अधिनियम के ऊपर पावर पॉइंट प्रेजेंटेशन स्क्रीन पर दिखाई और इस नए कानून की जानकारी सबको दी। श्री शुभादेश मित्तल, भूतपूर्व प्रधान रोटरी क्लब तथा बीजेपी के स्थानीय नेता ने भी नागरिकता अधिनियम, राष्ट्रीय जनसंख्या रजिस्टर तथा इसकी आवश्यकता और उपयोगिता पर प्रकाश डाला और कहा कि यह अधिनियम भारत में बसे हुए किसी भी मुस्लिम भाई की नागरिकता नहीं छीनता और ना ही उन पर लागू होता है। डॉक्टर संजीव गोयल ने इस अधिनियम की औचित्यता पर प्रश्न उठाया और कहा इसकी कोई जरूरत नहीं थी। इसका उद्देश्य वोटरों का ध्रुवीकरण करके लोगों का बंटवारा करके अपने वोट बैंक को बढ़ाना है। श्री ओपी बनवाली ने भी सरकार के इस अधिनियम तथा एनपीआर पर कुछ चिंताएं और आशंकाएं प्रकट की। विशेष अतिथि डॉ देशबंधु ने कहा कि भारत के सेकुलर होने का अर्थ यह नहीं कि हम यह देश सभी शरणार्थियों के लिए खोल दें और अपने देश की नागरिकता को खुला छोड़ दें। उन्होंने कहा कि हर देश को अपने नागरिकों की पहचान करने, उनका रिकॉर्ड रखने और रजिस्टर बनाने का अधिकार है और यदि भारत ऐसा कर रहा है तो इसमें कोई बुराई नहीं है। राष्ट्रीय स्वयं सेवक संघ के प्रतिनिधि श्री ताराचंद ने भी इस अधिनियम तथा एनपीआर के पक्ष में कई तर्क रखे। इसके पश्चात कई स्थानीय कॉलेजों से आए छात्रों ने भी अपने विचार रखे जैसे हरप्रीत कौर और शगुन, राजकीय महाविद्यालय; सोनम शर्मा, जीएमएन कॉलेज तथा अभिषेक शुक्ला एसडी कॉलेज! सभी छात्रों ने भी बहुत प्रभावकारी ढंग से अपने विचार विषय पर रखे। अधिकांश वक्ताओं ने नागरिकता संशोधन अधिनियम तथा एनपीआर का समर्थन किया। प्रोफेसर जागे राम ने अपने अध्यक्षीय भाषण में कहा की नागरिकता अधिनियम अब पास हो चुका है और सभी को इसका सम्मान करना चाहिए। यदि किसी को आपत्ति है तो वह विरोध कर सकता है, इसकी संवैधानिकता पर सवाल उठा सकता है लेकिन यह संवैधानिक है या नहीं इसका फैसला सुप्रीम कोर्ट करेगा। जनता को यदि अपना विरोध प्रकट करना है तो वह शांतिपूर्वक तरीके से करना चाहिए, अन्य नागरिकों को तकलीफ में डालकर या हिंसा कर के नहीं। सभी वक्ताओं को ट्रस्ट की तरफ से उपहार श्री इंद्रदेव गुप्ता तथा अजय गुप्ता जो क्रमशः रोटरी क्लब अंबाला के प्रधान और सचिव हैं ने प्रदान किए और सभी वक्ताओं को ट्रस्ट की तरफ से उपहार का वितरण विनय मल्होत्रा और नीना मल्होत्रा ने किया। धन्यवाद प्रस्ताव ट्रस्टी श्री अजय गुप्ता ने प्रस्तुत किया। सेमिनार के चित्र नीचे दिए गए हैं

A Brief Note about the Vasantotsav & Veer Hakikat Rai (29th Jan, 2020)

Dept of skt, Music, Hindi, Phy Edu & Sdhdr&t centre of S D College, Ambala Cantt along with students organized function to celebrate Vasantotsav and paid homage to 13 year old child Veer Hakikat Rai for sacrificing his life for his tradition. Dr Vishnu Dutt, principal SDA Skt College presided over the function and briefed students and staff about the time concept and it's relationship with nature and symbols along with their meaning as per Indian tradition. Dr Madhu Sharma with her students presented Saraswati vandana. Dr shashi Rana brief about the culture of celebration as per Indian tradition. Dr Vijay Sharma narrated the story of Veer Balak Hakikat Rai and his sacrifice. Dr Rajesh Phor, Dr Leena, Dr Saryu

Sharma, Dr Paramjeet, Sh Hem Sharma ji were present in the function. 87 students were present and Ms Astha also made presentation on Meaning and importance of Vasant Ritu. To mark the occasion yellow halwa was distributed as prasad to all after the function.

Note - It is matter of grave concern for all teachers that students lack knowledge and awareness about changes in nature and it's relationship with human mind etc. We need make sense of whole education to them. Are they becoming sensible human beings- we need to think and answer.

****

Brief note about the meeting of the committee constituted by DHE, Haryana to propose to promote research on ancient knowledge held on 31jan, 2020 at skt univ, kaithal. It was chaired by VC and three members were present. It was unanimously agreed that any research proposal should qualify four parameters as per Nyaaya & Mimaansaa -1 Utility, उपयोगिता 2 Relevance संगतता, 3 Application प्रयोगपरकता, 4 Innovation नवप्रवर्तनता.

Broad areas of research including management, computational sanskrit, Vedic gross national happiness index, evaluation methods of governance, personality, leadership, sanskritists contribution to swachata abhiyaan, geography, medical astrology, vastu+physics, models of critical thinking, correcting ancient Indian history etc. were recommended to DHE.

Note -some issues other than this also discussed but two were main issues - 1. all research (including phd etc) should have plagiarism test. 2. Sanskrit as a subject should be taught as theory and practical. Regarding this ppt was shared with other members.

VC of Skt univ offered dept of skt to initiate the workshops on such issues for the benefit of students.A copy of the survey based proposal submitted by dept of skt s d college to committee is attached attached herewith for your critical review.

Your criticism is welcome.

A Brief Note About the *द्वितीय संस्कृत-शास्त्राधारित क्रीडोत्सव एवम् सैन्य अवस्कन्द प्रदर्शन – २०२० (स्कन्ध-युद्ध, अश्वारोही-युद्ध, हस्ति-युद्ध, चक्रव्यूह, बन्दीकरण) 2nd Sanskrit Shaastra Based Sports Festival cum Section Attack Performance - 2020 organized today 6 February, 2020, Thursday (under the Vedavyaas Restructuring Sanskrit Scheme) by depts of sanskrit, NCC, physical education, Hindi & SDHDRT center of SD College, Ambala Cantt which was presided over by Dr Someshwar Dutt, Director, HSA, Pkl & *Dr Vishnu Dutt, principal, SDA Skt College was guest of honour. Dr shyam nath Jha, Dr Joginder Rohilla, Dr chiman lal, Dr rajesh phor, Dr paramjeet Kaur, Prof Renu Rohilla, Dr piyush Aggarwal & PI staff of 2nd HR Bt Ncc graced the occasion by their esteemed presence.

Both ncc boys & girls participated in five sanskrit shaastra based games and then section attack demonstration was performed. An introduction was given about Mahabharat based these games which very useful for mind & body workout without any cost. There foot work & other skills were explained & demonstrated. These games are extremely good for group coordination or for team work, especially in armed conflicts.

Dept of skt has proposed to introduce these skt shaastra based sports in ncc army camps (subject to CO's yes) and also to organize an inter college skt shaastra based sports festival in near future.

An edited version of section attack including issuing of orders, weapons, positions, different formations, signals & extended line Dhaavaa or attack, taking prisoners, reporting back to officer etc were performed wonderfully well by cadets.

Dr Vijay Sharma conducted the stage & Dr Shashi Rana proposed the vote of thanx.

Refreshments for Participant cadets were sponsored by Dr Piyush Aggarwal a committed sanskritist and friend of skt dept.

On behalf of Skt academy Dr Someswar Dutt awarded appreciation certificates to cadets for promoting Skt Sports & for their sportsman spirit too.

Dept of skt expresses it's heartfelt thanx to Mr Sandeep Kumar, an ex RD cadet for his unconditional

help & support to make this event a success.

GIST of One Day Interdisciplinary National Workshop on *"Rethinking Model of Applied Indian Psychology (with ref to Sanskrit Shaastras & Modern Psychology)" "व्यवहारपरक भारतीय मनोविज्ञान के प्रारूप का पुनर्विचार (संस्कृत शास्त्र एवम् आधुनिक मनोविज्ञान के सन्दर्भ में)" held on 15th February, 2020, in which 109 university, college teachers, research scholars & students of Sanskrit, Home Science, Psychology, Hindi, Physical education, Music, Zoology, Botany, English, Education, yoga from Haryana, Punjab & Chandigarh participated and Dr. Someshwar Dutt presided over the workshop and offered all kind of help for such interdisciplinary workshops based on Sanskrit Shaastras, be it computational Sanskrit, Indian Psychology, Indian model of human Rights or Sanskrit-Shaastra based Critical thinking or good governance etc. He encouraged all participants to make proposals based on Sanskrit Shaastras & send it to academy for approval. He insisted that all efforts must be made to Sanskrit-Shaastraas applicable, useful in all fields of knowledge. Dr Desh Bandhu was guest of honour who being a botanist suggested that Sanskrit-shaastra based traditional science of plants and five basic elements can alter & control human behaviour, mind & senses too. Evaluators of contents of workshop Dr. Anupma Sihag (GMN College) & Dr. Ravi Aggarwal (Govt PG College) both from dept of Psychology made critical observations in which they agreed that terms, concepts, methods of Sanskrit-Shaastras can certainly be used in psychology subject & they showed their willingness to have a second round of this kind of workshop in near future so that subject matter may finely updated an made more relevant and easy to understand. Sanskritist can certainly add value to psychological studies if more experimental studies be initiated with the help of psychology teachers. Dr. Vishal Bhardwaj (GNDU, Ammritsar), Dr. Vinod Kumar (LPU, Jalandhar), Dr. Pradeep Rai, KUK), Dr Mayank, PU, Patiala, Dr. R.K Gupta, Dr. Kuldeep Singh, Dr. Bimla Lathar, Dr. Sukhbir, Dr. CK Jha, Dr Akshay Mishra, Dr, Rajendra, Dr. Shyam Nath Jha, Dr. Ashok, Dr. Sajjan Singh, Dr. Mukesh Sharma, Dr. Rajesh, Dr, Piyush, Prof. Loveleen & other participants discussed about the Sanskrit-Shaastra based Human behaviour and its different types and levels in 1st session, followed by Body, Senses and breath was discussed in 2nd session and how they are related and influence each other. In 3rd session Antahkarana (Mind), its meaning, its 21 constituents, evaluative methods were discussed. In the open house session many students raised different kinds of questions & some issues to. Astrology based personality analysis was discussed and different types of Sanskrit-Shaastra based personality evaluation questionnaires were also demonstrated. Problems of Defining Indian Psychology and differentiating it from western psychology were also discussed. Issues regarding the Sanskrit-Shaastra based psychological terms, concepts were also discussed. Dept of Sanskrit initiated the discussion with a PPt presentation on the following topics- defining human nature मानवीय स्वभाव का परिभाषिकीकरण, Body, Senses & Breath देह, इन्दियां एवम् प्राण, Nervous system नाड़ी / स्नायुमण्डल, Mind अन्तःकरण, Emotions and sentiment भाव , Process of knowledge ज्ञान प्रक्रिया, Action कर्म, Language/ Speech वाक् / भाषा, Corrective methods (उपाय प्रक्रियाएँ- परामर्श पद्धतियां, योग , प्राणायाम, ध्यान, मुद्राएं, न्यास, चिकित्सकीय ज्योतिष, कथा, संगीत, मन्त्र तथा अन्य कलाएं आदि) and with Sanskrit- Shaastra based an applied evaluative technique which was designed & developed on the bases of 54 psychological triangles of ShriYantra followed by personality evaluation

questionnaires based on different Sanskrit-Shaastras.

Workshop was concluded on a positive & meaningful note with.

U can watch the proceedings on the given YouTube link, if interested.
